Christmas park & ride service gets the chop

THE council has axed its park and ride service for Christmas shoppers.

Cllr Alan Mallyon, cabinet member for parking for Milton Keynes Council said the scheme cost £9 per passenger to fund last year and was under used.

The council has instead carried out negotiations to make nearly 1,500 extra parking spaces available in the city centre to cope with the Christmas shopping rush.

The majority of extra spaces, more than 900, will be available for a reduced price on weekends during December on land near Milton Keynes railway station, owned by London Midland.

Five hundred spaces owned by the Homes and Communities Agency in the station area will also be available all week and at a reduced price on weekends.

The council hopes to run a weekend hopper bus service every 20 minutes from the station to the main shopping centre.

Parking officers at the council have also been talking to other businesses to arrange for hundreds of other spaces normally used by their employees or weekday rail commuters to be made available for public parking at the weekends.

These measures would just be for Christmas, as the permanent park and ride at junction 14 should be open next Spring.

Cllr Alan Mallyon, cabinet member for parking said: "I had to go down to the railway station a couple of months ago on a Saturday and looked around and thought, hang on,

Cop is sacked for gross misconduct

BY LAURA HANNAM
laura.hannam@mk-news.co.uk

A POLICE officer has been fired for gross misconduct.

Detective Constable David Reynolds, based at MK, was dismissed from Thames Valley Police on Friday, October 9.

Chief Detective Superintendent Mick Tighe, of Thames Valley Police professional standards department, confirmed to this newspaper that an officer had been dismissed after being found guilty of two charges of gross misconduct.

The charges related to 'failing to treat a member of the public with respect and courtesy and discreditable conduct'.

He added: "This investigation was an internal discipline case only and there were no criminal offences to investigate.

"Thames Valley Police expects our staff to act with integrity and professionalism at all times and the behaviour of this officer fell well below the standards expected by Thames Valley Police.

"His dismissal shows that the Force will not tolerate this type of behaviour and expects professionalism from our staff at all times."

Police raid finds counterfeiters' kit

BY LAURA HANNAM
laura.hannam@mk-news.co.uk

A 'COTTAGE INDUSTRY' of suspected counterfeiting was discovered during a police raid in Netherfield.

Eight officers raided a house in The Hide on Friday and found a first-floor room containing two computers, recording equipment and ceiling-high shelves stacked with boxes of blank and copied DVDs, CDs and X Box computer games.

Matt Sheppard, a trading standards officer for Milton Keynes Council, who joined the operation, said: "We have found evidence of someone producing counterfeit DVDs and CDs to sell on. The best way to describe it is a cottage industry, there is goods in there and it is quite organised."

The raid was carried out as police executed a warrant under the Theft Act as part of the anti-burglary campaign Operation Breaker.

Police had information that they may find stolen goods but none were discovered during the search.

The computers and other evidence was seized.

Two men, one aged 26 and the other 55, were arrested on suspicion of breaching the Trademarks Act 1992.

The younger man was also arrested on suspicion of possession of cannabis.

Both are on bail pending further enquiries.

Child crime figures fall

CHILDREN younger than ten years old have been reported for assault, sexual offences and burglary in the past year.

Nine children aged ten or under were suspected of assault causing actual bodily harm while another was reported for grievous bodily harm with intent.

Of the 48 offences that under tens were reported for in 2008/9, one of these was racially aggravated harassment.

Three related to sexual assaults.

By law, under-tens cannot be charged with an offence and so by definition cannot commit a crime.

But figures from Milton Keynes Basic Command Unit, released to MK NEWS under the Freedom of Information Act, give an insight into the sorts of crimes very young children are being suspected of in the city.

Although each report will not have led to an arrest or conviction, the tally reveals the sort of crimes people are being picked up for, as well as their ages.

The most common crimes for under tens were assault causing actual bodily harm and shoplifting.

Two were suspected of burglary, nine of criminal damage and three of harassment.

In the 11-14 category, one child was even caught dangerous driving. Three people in the same age-group reportedly assaulted police officers.

Five children aged between 11 and 14 were suspected of carrying blades and three of possessing 'other weapons'. Two children of this age allegedly raped a female child under the age of 13.

Other crimes for the age group include violent disorder, assaulting a constable, supplying drugs, affray, fraud and exposure.

In the ten or under category there has been a drop in the number of crimes from 69 to 48.

In 2007/8 there were 1,077 suspected offences by 11-14-year-olds. This year there were 844.

Chief Inspector Simon Eatwell said: "Any reduction in the number of crimes being committed is good news. We work closely with our partners to identify young people who are in danger of getting involved with crime and offer them the support they need to get them on the right path.

"Neighbourhood teams have also been in place for some time now and I believe the work they are doing to engage with local young people is having a positive impact. ."

Christmas park & ride axed

From front page

this whole side of Central Milton Keynes is deserted at the weekends.

"I was amazed and delighted at the help I was given to cut through the red tape and make something happen.

"This has only been made possible by the wonderful spirit of Christmas local companies have shown in making available parking spaces during December."

Last year the park and ride service, at the Ecopark site in the east and The Bowl site in the west was only used by around 4,000 passengers during a 29 day period.

The decision to axe it has been criticised by Cllr Andrew Geary, leader of the local Conservative party, who claims it will put added pressure on city centre parking.

Cllr Geary said: "It could put people off coming to Milton Keynes and businesses will be affected whenthe council ought to be doing everything it can to support them."

Friends of the Earth and the Green Party have called for extra bus services to be provided.

Alan Francis, leader of the Milton Keynes Green Party, said: "The problem with park and ride is that people make the greater part of their journey by car and only the final leg is by public transport. The council needs to provide extra bus services during the Christmas period so that people can make their whole journey by bus."

Retailers have welcomed the council's efforts.

Robert Goodman, centre director for thecentre:mk said: "Given the decision not to run the park and ride scheme this year, we are delighted at the proposed additional Christmas parking for shoppers and city centre workers. During the Christmas period thecentre:mk employs up to 6,000 people from the local area so it's key we do everything possible to attract regional visitors."

Pauline Eddy looks at the damage on her roof as a result of mysterious explosion

Explosion blasts Beanhill homes

BY LAURA HANNAM
laura.hannam@mk-news.co.uk

A MYSTERIOUS explosion has damaged houses in Beanhill and left residents baffled.

Police are treating the blast as criminal damage but so far don't know what caused it.

Pauline Eddy said the explosion happened at around 8.15pm on Wednesday (October 21) next to her end-of-terrace house in Beanfare.

She said: "My husband Terry and I were in bed watching a DVD at the time when there was an almighty bang and everything in the house shook.

"The bed moved out a couple of inches.

"When we went outside the whole estate was in the street saying 'what was that?'. My daughter in Netherfield felt it."

Roof panels have fallen from the Eddy's house, which is rented from the council.

Picture frames also smashed and shelving units came down.

Her neighbours three doors along the terrace claim the tiles on their kitchen floor have lifted, a door has dropped in its hinges and damage was done to their bathroom.

Mrs Eddy believes the explosion happened on an area planted with trees and shrubs next to the side of her house, where green leaves appear to have been blown off the branches and tiny bits of black plastic were found.

She added: "Its very strange that no one seems to know anything.

"We think someone set something off at the side of the house."

The fire and police service both received calls and attended the scene on Wednesday evening but found no evidence of any activity at the time.

A spokesman for Thames Valley Police said it has launched an investigation and is treating the incident as criminal damage.

A Milton Keynes Council spokesman said it plans to repair the damage to Mrs Eddy's property as soon as possible and she is able to remain living in the house in the meantime.

If you have any information about the incident call DS Neil Robinson on 0845 8 505 505 or Crimestoppers on 0800 555 111.

Jail for dealer who hid drugs in Kinder eggs

A MAN has been sentenced to four years in prison after hiding cocaine and heroine in Kinder Surprise egg capsules.

Shawn Terry, 24, from Vellan Avenue, Fishermead, was sentenced at Huntingdon Crown Court on Wednesday last week after pleading guilty to possession with intent to supply a class A drug and supplying a class A drug.

Terry was stopped in a vehicle by Thames Valley Police on June 30 and found to be carrying twenty wraps of crack cocaine and four wraps of heroin, hidden in Kinder Surprise egg capsules.

PC Caroline Vendy, lead officer in the case, said after the sentencing: "We hope this sends out a strong message to anyone supplying in drugs in Milton Keynes.

"This sentence demonstrates the commitment from both police and the courts to deal with drug dealers robustly."

Children choose their champion councillor

CHILDREN have chosen their champion in I'm a Councillor... Get Me Out of Here.

Lib Dem Cllr Sam Potts triumphed, not facing jungle challenges, but tough questions from the city's school pupils.

Fellow members Janet Irons, Andrew Geary, Brian White, Edward-Butler Ellis and Rosemary Drewett were put through their paces and evicted.

Students posed a variety of questions, such as how councillors would change education services, if they would build a theme park and whether they got in trouble at school.

Cllr Potts said: "It goes to show that young people are interested in politics. I want to make Milton Keynes a positive place for young people – we are the youngest city in Europe."

MK LETTERS

Letters to The Editor, MK NEWS, 1 Diamond Court, Fox Milne, Milton Keynes MK15 0DU | letters@mk-news.co.uk

Pirate Ship a treasure

SIR – I read with interest the letter from Craig Glenister, commenting on the recently installed Pirate Ship on Fishermead.

The Pirate Ship and play park, follow consultation with residents of Fishermead.

This was a joint project between Campbell Park Parish Council and Milton Keynes Council with most of the money coming from a grant from WREN (Waste Recycling Environmental Ltd.)

Craig feels it has no effect on the area and goes onto call it an 'eyesore' but beauty is in the eye of the beholder.

The vast majority of comments have been hugely positive with one resident saying 'it has been the best thing that's happened in the area'.

Don't come once at 9pm Craig, come on any day during day-time and see for yourself the effect.

See the young people working with parish council staff to tackle graffiti, see all those working to minimise litter. See the positive focal point for Fishermead which this park has become.

I do thank Craig for his intelligence about drugs. The Ppolice, Milton Keynes Council and the parish council are doing all we can to deal with this scourge and this information will help us all.

Cllr John Goss
Chairman, Campbell Park Parish Council

Angel eyesore

SIR – Re Angel of MK.

How can something only five storeys high be clearly seen from the M1 at all of those locations?

Also, with an arts guru involved I do hope this won't turn into a battle to be all 'cutting edge' and leave us with an eyesore in 15 years time.

I really cannot wait to see the designs.

Richard Milton
Sent by e-mail

Wrong location

SIR – Regarding your article 'Mobile police van to visit western estates' on your website.

Never mind the estates, with hardly any anti social behaviour, what about Wolverton?

The Gables is the worst place ever – I have lived in Milton Keynes all my life and have to say I'm disgusted with the way some neighbours get away with having parties late at night – even during the week.

They usually end up with a fight outside the flat – which has resulted in our door being kicked in at four in the morning.

Never mind that there ares kids in the flat and people have work – there is nothing police or the council will do about it but monitor it.

We have asked to be moved but, no, that's not an option either.

I don't feel safe, the kids have nightmares and are playing up at school.

I was told the only way anyone can help is if they attack one of us,

We are against violence but what is that saying to kids, it's saying it's OK because you can get away with it.

This is a major problem.

Parking charges driving people away from centre

SIR – Re parking charges. I thought the council would want to attract people to MK instead of ostracising them.

Wouldn't it be smarter to attract shoppers with the potential of free parking?

People like myself will be taking a pay cut as I work at the council.

The council, along with Mouchel – who work hand-in-hand – say they want to find ways of keeping their staff happy. This can hardly be seen as kind.

A large number of those who work in this area shop in the Centre MK. Why do that when we might as well leave work, rather than pay more parking fees, and drive to Tescos where the parking is free.

You are cutting your nose off to spite your face.

And to top it off, you discriminate against those who don't live in MK. I hardly see that as a way of attracting people to move to or shop in MK.

Last year a van sat in the parking lot for months and months taking up a space. The council did nothing – this sort of 'advantage taking' is what should be concentrated on.

RAFS bombed

SIR – Having read your letters page of October 14, it was so pleasing that all the letters about housing estates were from residents defending their estates.

There was an exception in Stantonbury.

What a pity Mr G Wills took the opportunity to attack the residents' association.

It is not easy to set up a residents' association. It starts with a group of volunteers giving up their time and energy to work for the good of their community, it is quite daunting, hard work and very time consuming.

Stantonbury has only just formed its residents' association called RAFS and the committee is doing the best it can to establish itself and has already helped to reopen the supermarket and get a children's play area built.

I would say to any residents: please do not be intimidated or put off from attending residents' meetings because of a very few negatively minded people.

Why not go to the RAFS next meeting and form your own opinion? It's at Christchurch on 5 November 5, starting at 7pm.

Stantonbury, like Bradville, has always had a good community spirit and both our residents' associations will help each other to be the most effective we can.

Margaret Burke
Chairman. Bradville Residents' Association

Rubbish parking

SIR – Just a short note to advise you that the new waste collection arrangements now in place seem to have created new and different problems for MK citizens.

The last contractor made a habit of building up piles of rubbish prior to the actual collection with these piles ending up either blocking up pavements or ending up in the highway.

The new contractor's trucks have been driving on the pavements along Buckingham Road.

They have been doing this regularly while heading both west and east collecting the black and pink bags.

On the occasions I have seen the trucks collect the waste, both rear nearside wheels have been on the pavement.

This is dangerous to pedestrians and is likely to cause damage to the pavements.

Bin and gone

SIR – Being a responsible dog owner, I dutifully cleaned up after my pooch on Saturday as we were enjoying a walk in Campbell Park.

After scouring the whole perimeter I could not find a dog litter bin anywhere.

Several frustrated dog owners had given up and left filled bags on gates and by exits.

I ended up taking mine home.

Give us responsible dog owners a break and install some bins.

Dad pays tribute to city's cruisers

BY JESSICA CUNNIFFE
jessica.cunniffe@mk-news.co.uk

A GRIEVING father has paid tribute to the cruise community for 'uplifting' him through his mourning.

Ken Dixon praised the MK cruisers, who meet in their modified cars outside the Hockey Stadium, for their response to the sudden death of 28-year-old Paul Dixon.

The car-mad delivery driver died last month, prompting a mass cruise on September 27, which included hundreds of people beeping their car horns in a 'two-minute toot'.

Cruisers also constructed a shrine with photos, flowers and Arsenal Football Club merchandise at the site – behaviour which has overwhelmed his 68-year-old father.

The former bus driver from Woburn Sands said: "We knew Paul was in a car club, but I thought it was about 20 or 30 people. The day after he died I heard about this thing up at the cruise. We went round there and couldn't believe what we saw – the tributes, the tooting horns – it was like nothing I'd ever experienced. There were hundreds of people there. Now I keep seeing cars with 'RIP Dixon' on their windscreens. It's a real comfort to me."

> We couldn't believe what we saw – it was like nothing I'd ever experienced. There were hundreds of people there. Now I keep seeing cars with 'RIP Dixon' on their windscreens. It's a real comfort to me

Cruiser Paul Dixon's dad, Ken

The shrine has caused controversy and Milton Keynes Partnership, which owns the soon-to-be demolished stadium, has vowed to remove it.

One of Mr Dixon's friends was even fined £80 by police for spraying RIP DIXON on the wall, though the graffiti remains.

Mr Dixon, who continues to visit the shrine, hopes the cruisers will be seen in a better light by the public.

"These people have been wonderful to me.

"They have almost been like a church in the way they've rallied round. I want to thank them on behalf of the family for being so devoted to Paul's memory.

"He wasn't a 16 A-star kid, he was just a normal lad. But they treated him like a prince – in fact one of his nicknames was Prince Pablo."

Louise Dearman and Holly Brewer

All that glitters will turn to gold

A GLITTERING cast of panto stars has vowed they shall have a ball.

Stars from the world of music, stage, TV and film came together last week ahead of Milton Keynes Theatre's magical production of Cinderella.

Panto virgin Ben Adams, from boyband A1, got a feel for his Prince Charming part while panto veteran Bobby Davro is ready to revive his role of Buttons.

TV favourite Anthea Turner enthused about becoming Fairy Godmother and working with Hollywood legend, Mickey Rooney.

Meanwhile West End leading lady Louise Dearman, who used to work behind the bar at the theatre, is back – but this time as Cinderella herself.

The judge from MK's Top Talent is excited to be sharing a stage with 14-year-old winner Holly Brewer.

She said: "Holly has got a wonderful voice and I'm supporting her all the way."

The panto runs from December 4 to January 17.

Gully Land arson

A THEME park ravaged by a fire that could have been started deliberately.

Forty firefighters fought the flames at Gulliver's Land, in Newlands, in the early hours of Friday morning.

Most of the Gully Land attraction, an indoor play area with garage, house, supermarket and gym, was damaged.

The fire service told Gulliver's yesterday that the cause was 'probably human intervention'.

The rest of the park will be open to visitors this weekend as normal.

Wishing Pool will benefit homeless

THE Ark Charity is celebrating Christmas early after finding out that it is the beneficiary for this year's Wishing Pool at thecentre:mk's Big Top Christmas Circus Show.

The Wishing Pool is a central feature in Middleton Hall and is used to raise money for local charity organisations and community groups.

Since 1985 more than £340,000 has been raised and distributed throughout projects that benefit the local community. Some of the groups that have been beneficiaries over previous years include GEMK, Age Concern Milton Keynes, MK Reader Service, MK Wildlife Trust, MK Community Cardiac Group and St Tiggywinkles.

Last year just under £13,000 was collected.

Jackie Tracey, events manager at thecentre:mk said: "Every year, the decision about the Wishing Pool beneficiary gets tougher and tougher. However, when we heard the presentation from The Ark Charity we felt that this is where money raised would have the most direct impact to local people in Milton Keynes."

Established in 1976 The Ark was established in response to the growing need to alleviate the city's youth homelessness problem.

It provides both 24/7 supported accommodation at its hostel in Wolverton together with move-on facilities where residents receive assistance from floating support workers.

Since opening more than 500 young people have been cared for.

The Ark runs a 'Move On Fund' with grants being made to youngsters who are moving into their own accommodation for the first time. It also provides aftercare support helping with education, employment and simple neighbour relations so that the young people who have their own tenancy for the first time pass the one year introductory tenancy period.

Joy Gibson, development manager of charity, said: "This is fantastic news for the team. The money from the Wishing Pool will help young people get a good start in adult life. Milton Keynes Council has stated that 30 per cent of all new tenancies allocated from 2007-08 were to those aged between 16-25 years old.

The donations will be used to help run our 'Move On Fund', educate people between 19-21 who are no longer entitled to free education and maintain our properties to help more young people in the future."

TV star rides high at charity

A BBC star was riding high in Milton Keynes at the weekend.

Radio 2 and Panorama presenter Jeremy Vine visited Loughton Equestrian Centre to experience the work of Ride High, the charity which allows troubled young people to develop skills by teaching them to ride and care for horses.

Mr Vine, patron of the charity, said: "Ride High puts a little bit of sunlight into difficult lives, putting kids in touch with animals where they get a sense of pride and discipline. It seems to have just had wonderful results."

Special cop hit by Royal Mail truck

BY LAURA HANNAM
laura.hannam@mk-news.co.uk

A VOLUNTEER police worker who was killed while cycling on the A5 was struck by a Royal Mail lorry.

Martin West, 43, a special sergeant with Thames Valley Police, was cycling to his full time job in Tilbrook in the early hours of Thursday, October 8 when the collision happened.

An inquest, opened last Wednesday, heard that Mr West from Gloucester Road, Wolverton, was cycling on the southbound carriageway, close to the Portway roundabout, when a Royal Mail heavy goods vehicle collided with him at around 4.25am.

He was taken to Milton Keynes Hospital where he was declared dead at 5.20am.

His family said he used to cycle every day to work as a production supervisor for tool coating company Oerlikon Balzers in Bradbourne Drive, Tilbrook.

The inquest was adjourned.

Mr West has three children, Joanna, Joshua and Daniel. His wife, Susanna, said he was a 'fantastic' husband and father.

The driver of the lorry, a 41-year-old Essex man, was arrested on suspicion of causing death by dangerous driving and has been released on bail until December 5.

Sgt Scott Silk, investigating, said: "We are continuing to appeal for witnesses. We would like to hear from anyone who may have seen him or the goods vehicle prior to the collision or who witnessed the collision itself."

Call 0845 850550 or Crimestoppers on 0800 555 111.

Syringe and medicine bottle at death scene

A NEW father who was missing from his home for a month was found with a medicine bottle in woods next to the M1 motorway, an inquest has heard.

The body of 33-year-old Ricky Keeler was discovered in a wooded area by a motorist who had stopped for a comfort call between Junction 14 and 15 of the M1 on Friday, October 19.

Coroner's officer Sonia Jackson told the inquest last Wednesday: "He was found sat with his back against a tree with his body slumped forward. A mobile phone was found on the scene and a syringe, needle and a small medicine bottle."

Mr Keeler, who leaves behind a nine-week-old baby girl and three-year-old daughter, was last seen at his estranged partner Kristy Latarche's house in Bury Street, Newport Pagnell, at about 3pm on Saturday, September 12.

Kristy said he had been staying with her since the birth of their second child and they had a row that day about money.

Mr Keeler had been made redundant in April and was working part-time at a vets as a cleaner.

Ms Latarche said: "He had been looking for jobs by going to the library and to his dad's to use the computer. That was the last I heard of him."

His family said he had no history of drug taking or psychological problems.

The inquest was adjourned until February next year.

Police are not treating the death as suspicious.

Fresh food at school

A NEW 'mini kitchen' has been installed at a primary school.

Milton Keynes Council has created the facility at Langland Community School in Netherfield, so food, including freshly baked bread, can be prepared and cooked at the school.

More will be created across the city's schools in the next two years using £323,000 awarded to the council from the Department for Children, Schools and Families, which has been matched by the local authority.

Firework safety

PUPILS are invited to enter a firework safety competition organised by the Community Safety Partnership to win a £25 gift voucher.

Posters and letters are being sent out to every school in Milton Keynes.

Young people aged between eight and 18 can also enter by answering five questions at www.bucksfire.gov.uk/BucksFire/Fireworkcompetition2009.htm.

Extra lessons

HUNDREDS of children who are at risk of falling behind in English and Maths are to get one-to-one tuition as part of the Government's £468m national programme to drive up primary and secondary standards.

The pupils, aged seven to 16, will get intensive bursts of 10 hours one-to-one tuition.

Roundabout adoption

NEGLECTED roundabouts are being given a new lease of life.

One overgrown eyesore outside thecentre:mk was given an overhaul yesterday by landscapers Ambius.

Milton Keynes City Centre management came up with the idea of assigning unkempt areas to businesses.

With a city centre of around 10,000 trees and ten football pitches worth of shrubs, council funds do not stretch to replanting every green space.

Now Ambius, the people behind thecentre:mk's plants and trees, have agreed to take on the Midsummer Boulevard East roundabout by planting grasses and pledging to maintain it in the future.

Then: overgrown eyesore

City Centre manager, Kay Greenhalgh, said: "I'm hoping that this is the start of more of these opportunities. I'm really pleased with the fact that we can have commercial operators assisting in enhancing the city centre in partnership with the local authority."

Thomas Brockway from Milton Keynes Council, which is also behind the project, added: "This project will set a positive precedent for future works managed between local businesses and the council."

Motorists fail car window tint test

BY LAURA HANNAM
laura.hannam@mk-news.co.uk

TWENTY-SEVEN motorists were found to have excessive tints on the windows of their vehicles in a police operation.

Thames Valley Police gave drivers the opportunity to have their vehicles tested with a light transmission meter last week.

Last Thursday, 12 vehicles were tested during four hours in Morrison's car park in Westcroft and all were found to have excessive tints.

Ten of the motorists decided to allow police officers to remove the tint on the spot while two opted to get it taken off by a garage.

Another 15 vehicles were checked at the Pagoda car park, Brickhill Street, Willen on Sunday and all failed.

The worst tint allowed 13.6 per cent of outside light through the front side windows when, by law, it should allow 70 per cent.

All 15 of the drivers decided to have the tint removed by police.

A police spokesman said there will now be an additional campaign of enforcement where no amnesty will be given and officers will issue fixed penalty notices or take court action.

PC John Bulman, road safety officer for Milton Keynes, added: "Tinted glass can contribute to reduced visibility, which is a factor in a number of road collisions."

PC Ian Leyland tests the tint percentage on a car at Westcroft

Cabbie caught out

Private hire driver was plying for hire in the city centre

A TAXI driver has been left more than £1,000 out of pocket after being caught illegally picking up fares off the street in Milton Keynes.

Suthasan Kalasegaram of Gibbwin, Great Linford is licensed as a private hire driver by South Northants District Council, working for Speedline.

By law private hire drivers can only pick up customers who have pre-booked the fare for a specific time and place. They are not allowed to pick fares up from the street, or from a rank, like Hackney Carriage drivers.

However, MK Magistrates heard that Mr Kalasegaram was caught plying for hire in the city centre, during a joint test purchase operation involving taxi enforcement officers from MKC and Thames Valley Police in December 2008.

He denied plying for hire and driving without insurance (his insurance was invalidated because he was licensed as a private hire driver, but was operating as a Hackney carriage driver)

He was found guilty and fined £150 for plying for hire; £100 for no insurance and his driving licence was endorsed with six penalty points. He was also ordered to pay £800 in costs.

Enforcement officer Alan Broomfield said: "This driver is one of many whom we have been dealt with over the last year, some have ended up being disqualified from driving, others having their taxi licenses revoked.

"These offences are serious and a concern for public safety, and we will continue to use whatever means of enforcement at our disposal to bring offending drivers to task."

Jo Brand with Charles Schneider and Robert Pelosi from County Home Foods

Heavyweight comedy

A COMEDIAN brought her own brand of dry wit and self-deprecation to Milton Keynes last week.

TV and stand-up star Jo Brand, who said she loved the city like her own child, entertained 400 people at Jury's Inn last Tuesday.

As part of a question and answer session, she shared everything from her cruellest put-downs to anecdotes about her rebellious teenage years.

The evening, organised by Knowlhill-based company Loquendi, raised funds for the air ambulance.

Jo said: "It was a great night and I hope everyone enjoyed it as much as I did. I like Milton Keynes, it's always a nice place to come with good audiences who appreciate comedy."

The Wedding Guide

There are many traditions associated with marriage and weddings . A wedding in the past was seen as a time when people were very open to both bad luck and evil spirits. Many of these are variations of customs which began many centuries ago.

Some, such as the bride wearing something old, something blue ..., or not being seen by the groom in her wedding dress before the ceremony are known throughout the country and many other parts of the world. Others may be regional or even maintained within families from generation to generation.

They are kept alive in the belief that they will bring good luck and happiness to the couple at a time when their lives are changing, hopefully for the better.

Your Wedding Day should be one of the most important days of your life. It takes months of careful planning and preparation. There are so many factors to take into consideration, the venue, the theme, the food, the guests, the music and the dress, to name a few!

We are lucky in Milton Keynes that we have a number of local companies who can help make your special day as wonderful as you expect it to be and there is no time like the present to start the preparations for your perfect day.

Piano makers leave town on a high note

MK Academy principal Lorna Caldicott with Brian Kemble, Kemble and Company MD, and talented sixth form student Patrick Yeboah

THE last piano maker in the UK is leaving its legacy to a brand new school.

Bletchley-based Kemble and Company, which is closing at the end of the month after 98 years, has donated one of its final instruments to Milton Keynes Academy.

From November, Kemble pianos will be produced by Yamaha in the Far East.

Since being rescued in 1986 by Yamaha, it has made 120,000 instruments.

Managing director Brian Kemble MBE said: "We wanted to mark the end of an era in Milton Keynes by making a gift to benefit local young people. We hope that the students will enjoy our piano's beautiful mellow sound. All our staff have signed the back of the piano – it is also a tribute to them."

Lorna Caldicott, principal of the Woughton-based school which opened in September, said: "We do all we can to encourage our students to develop a love of music, and it will be a real joy for them to hear and play an instrument of such high calibre."

The academy has a large music department and teaches music technology to A-level.

An artist's impression of Queens Court – Destination Dining

Eateries sign up for 'Destination Dining'

TWO restaurants have been announced for thecentre:mk's new multi million pound restaurant quarter.

Cafe Rouge and Nandos have become the first retailers to occupy units at the £10million site.

Cafe Rouge, which already has a restaurant at The Hub, offers a range of French food and wine in a bistro atmosphere.

Phil Derbyshire, director of property, said: "Cafe Rouge has now signed a contract in respect of the-centre:mk scheme and are very pleased to be involved in the new development. Our site in the Hub will still operate and will not be affected by this new site as we see them as very different operations and markets in Milton Keynes."

The new restuarant quarter, Destination Dining, will house four eateries when finished next year. The announcement of these initial signings is wonderful news," said Robert Goodman, director for thecentre:mk. The aim of Destination Dining is to create a vibrant environment where people will want to meet-up during the day and stay into the evening, supporting the development of a thriving evening economy in the city.

"The decision by Cafe Rouge and Nando's to open in Destination Dining underlines the importance of thecentre:mk as a regional shopping destination."

Both restaurants have signed 20 year leases on 5,000 sq ft units.

POT OF GOLD FOUND!

P&H JEWELLERS ANTIQUES ROADSHOW

Couple receive cash award for unwanted items

A LOCAL couple this week had a very lucky day when visiting a Jewellery & Gem Stone AntiqueRoadshow. Like most households they had a drawer full of bits and bobs including an old gents watch approximately 1930. The watch was working but had been left to them. A selection of old, broken and incomplete rings and a few odd items of unusual jewellery were also included.

"The young couple were delighted with the good news, "said Mr Paul Franks, a professional jeweller. He went on to say, "The couple asked me not to reveal the exact amount they received but I can confirm we were talking thousands of pounds.

HIDDEN TREASURE

Like most readers you probably have dreamt about winning the pools or finding a pot of gold.

Many households have hidden treasure sitting with the owners not knowing the true value.

Well, this week is your chance to visit Holiday Inn, 500 Saxon Gate West, Milton Keynes, MK9 2QH.

Mr Franks added, "with many years of experience in valuing and purchasng watches, jewellery and gems, I could tell you many stories when people have visited a Roadshow with items that were seemingly of little value to them."

Whilst reading this article, many readers will be thinking of an old item or a piece of unused jewellery.

VALUATION

Mr Franks added, "The reasons behind choosing Holiday Inn, 500 Saxon Gate West, Milton Keynes, MK9 2QH. is because it's well situated and well known to local people.

The Roadshow will be the last of its kind to visit the hotels. Many items are hoped to be found."

Your help is needed to make this unusual event a success - with a free

valuation service and no obligation to sell, what is there to lose?

Things you should look for and take next week include broken rings, old chains, pocket watches, old silver, diamond and gem set jewellery (even with stones missing), old pictures, objects d'art, coins, medals and virtually anything old or interesting.

Their buyers urgently require stock for collectors and overseas customers, and are offering an instant cash settlement on any items they buy.

No matter how large or small your find, you will be pleasantly surprised by their cash offer, but remember the Roadshow is 5 days only this week, Sunday 28th, Monday 29th, Tuesday 30th June, Wednesday 1st and Thursday 2nd July.

Many people are not aware of the value of unusual or old items that they have around the house. Family heirlooms areoften SOLD but only when the valueis realised.

Today many record prices are constantly being paid and with the latest crime figures it is an easy decision to sell or store valuables - after all an item in a drawer or box is left usually year afteryear waiting to be lost or stolen.

CASHPAID

Most unusual items of old jewellery are out of fashion and are of little use, but there are collectors desperate for all items. The gents wristwatch market has never been better and antiques and old furniture are being bought by over seas purchasers for record amounts.

Have a good look through your chest of drawers or old jewellery box and don't forget broken or damaged items are also wanted.

The Jewellery & Gemstone Antiques Roadshow is at Holiday Inn, 500 Saxon Gate West, Milton Keynes, MK9 2QH, on Sunday 28th, Monday 29th, Tuesday 30th June, Wednesday 1st and Thursday 2nd July. offering a professional, free valuation service, and an instant cash opportunity to sell any unwanted items no matter how small or large.

Residents' housing roadshows

RESIDENTS can get their housing questions answered at a series of roadshows next month.

People can pop in to talk about issues ranging from repairs to reporting abandoned vehicles or fly-tipping in their neighbourhoods.

The first roadshow, run by Milton Keynes Council's housing service, is due to be held on Wednesday, November 4 from 11am until 5.30pm at Wolverton Community Centre, 205 Stratford Road.

This will be followed by a second on Tuesday, November 24 from 11am until 6.30pm at The Lakes Estate Community Centre in Fern Grove, Bletchley.

Advice will also be offered on how to arrange a council house swap, council tenancy issues, environment, benefits and help on managing debts.

Also on hand will be representatives from The United to give advice and assistance with energy bills, as well as how to switch suppliers to get the best deals on utilities.

Debt advice and information about other free services will also be available from staff from the Citizens Advice Bureau (CAB).

Cllr Chris Williams, responsible for housing, said: "We want to make our services open to everyone and what better way than by taking our services out to the people/"

Early visitors to the LINk 2 Health & Care show at Middleton Hall

Health and care event

CITY folk were able to take some time out and visit a large one-day health and care event at thecentre:mk.

The New Milton Keynes LINk (Local Involvement Network) hosted the 'LINk 2 Health & Care' event in Middleton Hall yesterday.

More than 60 organisations, including health and social care related community groups, local NHS Trusts, commercial and alternative health took part.

John Needham, chairman of the LINk executive committee said: "Health and social care related voluntary organisations have an enormous range of skills and knowledge specific to their interests.

"We have found that giving these groups an opportunity to spread their messages to a wider audience can produce benefits for those people who were previously unaware of their existence.

"The event will also help the groups to raise their profile within the community.

"This is the fifth annual event at the centre:mk and we are delighted that once again we were able to hold this large event."

There were appearances by the MK Dons and their mascot Mooie and the Silver Stetsons Line Dancers.

Joanna Britton (JJ) and boyfriend Ashley Coughtrey in the wind tunnel at Airkix

In descent proposal

IT was a breathtaking day for one woman when her boyfriend asked her to marry him while they were floating on air.

Airkix in the Xscape building in CMK was turned into the tunnel of love on Sunday, October 4 when Ashley Coughtrey, 20, proposed to his long-term girlfriend Joanna Britton, known as JJ.

Having flown with Airkix before, Ashley wanted to propose to his adventurous girlfriend in a unique way.

Airkix helped organise the set up, flying JJ to the top of the 35ft tall tunnel in wind speeds reaching 130mph, while Ashley was waiting at the bottom holding a sign that read 'JJ will you marry me?'.

Ashley said: "JJ's reaction to the banner was such a picture. Andy the instructor had to catch her from falling as both her hands flew to her mouth in surprise."

The couple emerged from the wind tunnel to rapturous applause from a packed-out viewing gallery.

Ashley added: "She took the ring and said yes, yes, yes, I love you. Everyone was clapping."

Shared home ownership with Genesis*homes* is the smarter way to get on the property ladder – you choose a property, buy a share you can afford and pay a subsidised rent on the rest.

But buying your first home in manageable, affordable stages needn't mean compromise. Take Axcess MK, a beautiful development in the heart of Milton Keynes, complete with its own elevated garden. Live here and you'll enjoy the serenity that this space affords, allowing you to take refuge from the hurly-burly of modern life and relax to the gentle sound of water as it ripples through the pools.

Inside, you'll find apartments that are finished to a high specification. Stainless steel fitted kitchens, ceramic tiled bathrooms and chrome heated towel rails all lend a touch of luxury. Meanwhile, most apartments benefit from off-street parking, and you'll also have access to a concierge service.

THE PITMEN PAINTERS

Until Saturday

IN 1934, a group of Shington miners hired a professor to teach an art appreciation evening class. Rapidly abandoning theory in favour of practice, the pitmen began to paint. Within a few years the most avant-garde artists became their friends and their work was acquired by prestigious collections, but every day they worked, as before down the mine.

This new play by Lee Hall is a humorous, deeply moving and timely look at art, class and politics.

THE SOUND OF MUSIC

Tuesday, October 27 - November 14

CONNIE Fisher returns as Maria in the world's best-loved musical.

Starring alongside Connie are two of the West End's favourite stage performers, Michael Praed as Captain Von Trapp and Maggie Preece as Mother Abbess.

This lavish and critically acclaimed production, direct from the London Palladium, tells the story of the Von Trapp family's flight across the mountains and works its magic once again, for young and old alike.

The show includes memorable songs like My Favorite Things, Do-Re-Mi, Climb Ev'ry Mountain, The Lonely Goatherd and of course the title song.

SIMON **DARNELL**

THIS IS IT
Michael Jackson

SO, the King of Pop has gone to join the King of Rock and Roll and the lead singer from Queen, and look at what he's left behind.

Millions of devoted fans, some genuinely great songs – although if you ask me, the well ran dry after 1987 and Moonwalker.

Anyway, here's his first posthumous single and it's nice. Yeah, that's it, it's nice. Must be the Paul Anka effect, after all he did co-write it.

It was hidden in a box for 26 years under a different name, but that's by the by.

This Is It (rather than I Never Heard) sways and swirls along for four-and-a-half-minutes, the beat is so far out in the background it almost might as well not be there and (thanks to the vocals being recorded in 1983) Michael Jackson actually sings the song properly without the need for any daft vocal theatrics that blighted his later work.

He turned out some genuinely great songs in his time, but sadly this isn't one of them, it's just not memorable or interesting enough.

Mind you, having said that it's by no means the worst song he's ever recorded. Heal The World has a similar feel to it, but while Heal The World had a Very Important Message To Tell You at the expense of being any good whatsoever, this song's warm and cosy; in fact, it's probably the musical equivalent of being hugged by a friendly panda.

It's no classic by any means, but it'll do.

As a footnote, however, I have to mention the sleeve design that I've seen. Demonstrating a quite breathtaking display of spoonfeeding Michael Jackson's fanbase, it proudly states 'Featuring backing vocals by Michael's brothers the Jacksons'. I think it's safe to say that anybody who'd been paying attention over the last few months might've been able to work that one out on their own, but thanks for pointing out that not only do they have the same name, they're also related.

Considering this is coming out on Epic Records, I suppose you could describe that strapline as an Epic Fail. Yes, I know that was a terrible punchline, but be fair, the opportunity was there and if you were in my place you'd have said it too.

TASTELIFE

ORTEGA

Theatre District
Tel: 01908 674322 www.ortegatapas.co.uk
Review by Andy Handley

If you're looking for a great night out then Ortega is the place to bring some sunshine on these dark evenings.

Sitting on the edge of the Theatre District, Ortega tapas bar is filled with the spirit and passion that you would expect from a bar cantina – it is bright, loud, bubbly and bursting with the sounds of salsa.

Whether you are tempted by the Rioja Festival which offers a taste of six wines and tapas to share with bread and olives at £15 per head or you go for a choice of the 28 different tapas priced from £3.25 to £4.95 your evening will go with a swing.

And if you don't fancy sharing a plate then brochetas (marinated skewers) with a choice of chicken or beef could be for you.

My dinner companion and I chose to take the strain out of ordering by taking a sharing platter (£22.50). We opted for the Autentico, one of three choices on offer, giving us a mixture of seven tapas.

Now seven is supposed to be a lucky number and it proved to be just that as the dishes rolled out onto our table.

The Tortilla Espanola, a chunky portion of Spanish omelette was mouth watering and a classic Patatas Bravas tingled with its spicy tomato sauce.

Melted goats cheese on the Toasta con Queso de Cabra was delicious and a chickpea stew from Seville (Garbanzos con Espinacas) completed the vegetarian selection.

Chorizo con Patatas and Fabada Asturiana offered a couple of meat selections both served with chorizo sausage and sliced new potaoes in one and white beans with garlic a tomatoes in the other.

To round the feast off, a Paella Pequena puts together a pefect blend of rice, chicken and choritzo and left us full to the brim.

However, one look at the dessert menu had us asking for 'postres'.

I was told the Sorbete (£3.75) was fantastic, not that I had a chance to taste as my dinner guest tucked in, while I finished off with a Crema Catalana (£4.50) a classic custard pud.

If we hadn't eaten enough we would have been tempted by the classic Spanish doughnut, Churros, served with a warm chocolate sauce which had both of us licking our lips.

We spent three lovely hours enjoying the food, wine, music and – of course – the wonderful atmosphere.

BEER FESTIVAL

IT'S that time of year again when you are invited to enjoy a refreshing glass of your favourite draught.

The Milton Keynes and North Bucks Campaign for Real Ale is holding its 16th Concrete Pint Beer Festival at the Pitz at Woughton Leisure Centre, Leadenhall from Thursday, October 29 to Sunday, October 31.

The festival boasts more than 50 ales and six ciders and perries.

Opening from 12-11pm each day, entry is free until 5pm.

Local band Enquire Within will play live on Saturday night.

Chris Scoggins, head cellarman. said: "I think this year's beer range is one of the best we've had.

"I'm particularly looking forward to the nine or 10 beers from micro breweries in the Manchester region and we also have three great beers from those wonderful people at Brew Dog in Scotland, who are pushing back the boundaries of how beer is brewed in the UK.

"We are taking the opportunity to showcase our local brewery, Concrete Cow, with up to six of their beers on offer.

"Also featured are at least five champion beers, including the top three in the country from this year's national CAMRA competition.

"It will be a good mix of local, best beers, and unusual beers."

BLACK MUSIC

THE hospital trust is to hold a live event to celebrate the history of black music.

As part of Black History Month this October, Milton Keynes Hospital NHS Foundation Trust is arranging an evening of live music at The Church of Christ the Cornerstone in Central Milton Keynes.

On Thursday, October 29 from 7pm, many musical styles will be performed including African drumming, negro spiritual, soul, jazz, blues, rap, hip hop, reggae, ska and rock 'n' roll.

The performance will be supported with poetry and dance.

Esther Valentine, matron at Milton Keynes Hospital and equality and diversity lead, said: "Black History Month provides a fantastic opportunity to celebrate the diversity and richness of culture in Milton Keynes and reflect on past achievements.

"Local people, NHS staff and community groups – anyone who enjoys live music – is welcome to attend the event."

Tickets are £5 in advance or £7 on the door.
Call Esther Valentine on 07909 535 937 or email esther.valentine@mkhospital.nhs.uk

ADVERTORIAL

Why rent when you can buy.

Still throwing money away and renting? Why not consider a new home and take advantage of the Government's HomeBuy Direct scheme. That's the route many new residents at Bellway's Aqua development in Fenny Stratford have chosen.

Bellway is currently selling two bedroom apartments from £136,995; by taking advantage of HomeBuy it is possible to buy this apartment with a 70% mortgage costing £95,897.

"These are really great starter homes," said sales director Chris Edginton. "The Government's HomeBuy scheme means that buyers will be able to take advantage of a 30% interest free loan in the first five years which is a big help when you are just starting out. As a result of the low price many people now renting will find that it is actually cheaper to buy and benefit from the investment in property. Also, buying new means that you have the reassurance of a 10 year NHBC warranty and from a décor point of view a blank canvas on which to create your own identity."

As the name suggests the aqua development is surrounded by water, with the Grand Union Canal and River Ouzel both bordering the site.

Fenny Stratford boasts a variety of restaurants, pubs and takeaways, as well as a superb variety of day-to-day shops. Also, within half a mile there is a Tesco's hypermarket and retail park. The city centre of Milton Keynes itself is a major UK shopping hub with superb malls like Midsummer Place and thecentre:mk. Whether you are window-shopping in one of its many stores or admiring the art and stained-glass window from one of its pavement cafes there is something here to suit everyone.

Road and rail links are excellent with the A5 being 1/2 mile and the M1 4 miles distant. Bletchley main line station is 1 mile offering fast and frequent service to London in around 40-45 minutes.

Relocation, location, location

INFORMA is a new collaborative partnership between Milton Keynes & North Bucks Chamber of Commerce and Citrus Relocation.

This new alliance is designed to help people and businesses considering relocating to Milton Keynes to easily and quickly obtain information on the benefits of moving to the city.

The partnership came about as the services offered by the chamber and Citrus Relocation have real synergy and the directors of both organisations felt that by working together they would provide an easily accessible single point of contact for all the information on a potential relocation to the city.

Rita Spada, chief executive of Milton Keynes said "The chamber plays an integral part in supporting the business community. It is vital that new businesses and employees that have made their decision to be in Milton Keynes are made to feel welcome and supported to source and develop their networks, knowledge and gain insight into how our city and business community works so they can integrate quickly and successfully in this dynamic city."

Sue Myrie, managing director of Citrus Relocation commented, "We have a lot of experience working with businesses to help relocate them and their employees.

"This, coupled with our level of local knowledge and useful contacts, means we can provide invaluable support to businesses considering a move to Milton Keynes.

"By pooling our resources and working together with the chamber there is now a central point to access information to help businesses make an informed decision on whether Milton Keynes is the place for them to base their business."

This groundbreaking collaboration brings together two organisations with a proven track record of excellence, local knowledge and expertise in assisting businesses.

The team at Informa is able to provide flexible solutions to all enquirers and a support package built around individual needs.

Outstanding contribution and commitment to training: Reni Alex and Lyn Mehan of PJ Care are given their award by BBC Look East presenter Susie Fowler-Watt

Staff training award

A COMPANY that provides nursing care to terminally ill people has been given an award for its staff training.

PJ Care Ltd, based in Sherwood Drive, Bletchley, has been presented with the East of England National Training Award in the medium employer category.

The awards, organised on behalf of the Department for Business, Skills and Innovations (BIS) by UK Skills, celebrate those who have made an outstanding contribution and commitment to training in the workplace.

PJ Care Ltd provides specialist 24-hour nursing care to people with progressive neurological disorders and terminal illnesses.

It has three specialist nursing care homes, including Oakley and Brunel in Grange Farm and Bluebirds in Shenley Lodge, as well as a specialist therapy centre in Bletchley and its own training company.

The company has been honoured for organising a training programme to up-skill staff to make them feel more confident and competent supporting patients coming to the end of their lives, allowing more residents to die in their care rather than in hospital.

Jo Watson, general manager at PJ Care Ltd said: "I can see that the training has given confidence to all levels of staff within our care team.

"The team has also taken greater ownership of what happens at the end of life and there is growing recognition that everyone has a role to play at this special time, including friends, relatives, and colleagues."

The winners of the five categories will find out whether they have won the overall national Winner of the Year prize for their category on December 10.

Agents offer complete home move

HOUSE sales in Milton Keynes increased by 37 percent in September, say estate agents Taylors and Wilson Peacock, making Milton Keynes a property hotspot for buyers and sellers.

Strongest demand has come from local first-time buyers looking to cash in on the one percent Stamp Duty tax holiday which applies to all properties priced between £125,000 and £175,000, before it ends on December 31, 2009.

Taylors and Wilson Peacock are now the first agents in Milton Keynes to sign up with Propertywide, which offers a complete home moving service and takes live feeds from the UK's top estate and letting agents.

Visitors to the website can access the latest property guides from industry professionals, which include tax savings tips and comprehensive advice on the home buying and selling process.

To coincide with the launch of Propertywide, a competition has been launched exclusively for new Taylors or Wilson Peacock customers in Milton Keynes.

Contact your local Tbranch to register for the competition and visit www.propertywide.co.uk to view the latest instructions.

MK BUSINESS

Everything new under the sun

A NEW business has launched in the fast-growing sector of sustainable energy.

The Solar Equipment Shop is a new venture started by a local entrepreneur, Jeremy McNamara, selling solar energy products.

The company trades from Luminar House, Deltic Avenue, Rooksley and its website www.thesolarequipmentshop.com.

Solar energy is a growth area because of the current focus on the environment and also because of recent developments in technology that have substantially reduced the price of solar panels.

Mr McNamara said: "When I first started looking at solar technology I was a little sceptical, but the fact that it is totally clean, highly scalable and lends itself to a huge range of applications means that almost everybody can harness it to power something in their home and contribute to the environment at the same time."

The Solar Equipment Shop sells a large range of products, from solar chargers that can charge iPods and mobile phones right up to solar power kits for a shed, garden office or caravan.

Although focusing on the UK consumer market at the moment, the business intends to expand beyond this next year.

An artist's impression of the Knowhill Business Parc designed specifically for small companies

Small firms park

BY LAURA HANNAM
laura.hannam@mk-news.co.uk

CONSTRUCTION has begun on a new business district aimed specifically at small firms.

The first phase of the development of Knowhill Business Parc is underway with units expected to be available from March 2010.

The independent 800 to 5,000 square foot units, which provide each business with their own dedicated entry and private parking, are available for freehold sale or leasehold.

Tim Roxburgh, projects director of Milton Keynes Partnership, said: "The start of this development is good news for business in the city.

"It not only shows that developers have confidence in the market here but will also provide a new offering for small businesses."

Business Parcs director Wendy Elder added: "High quality business space is difficult to find for small businesses.

"The Business Parcs concept is to provide dynamic and sophisticated smaller businesses with prestigious office premises at affordable prices."

Appeals Tribunal Decision
York House, 31-36 York Place, Leeds LS1 2ED

Notice of Decision: APE 0452
Hearing Date: 30 September 2009
Relevant Standards Committee: Milton Keynes Council
Name of member concerned: Councillor Anita Rose of Great Linford Parish Council
Monitoring Officer: Philip McCourt

Appeals Tribunal Members: Beverley Primhak; Richard Enderby, Chris Perrett

1. The Appeals Tribunal has considered an appeal from the Appellant who appealed against the Standards Committee's finding that she failed to follow the Code of Conduct of Great Linford Parish Council and their decision to suspend her for six months. Permission to appeal was allowed on the sanction imposed only.
2. The Appellant had agreed to the appeal being considered by way of written representations. However, in their submissions the Standards Committee requested that the matter be dealt with at an oral hearing. The Tribunal considered that it had sufficient information to make a decision and concluded that the matter should continue to be dealt with by way of written representations.
3. The Appeals Tribunal directs that the sanction originally imposed by the Standards Committee is upheld and will take effect as of today.
4. The decision of the Appeals Tribunal was unanimous.
5. The full determination will be published on the Adjudication Panel's website at www.adjudicationpanel.tribunals.gov.uk.

Our customers come from all over the country because of our good name and personal service. Our workshop is not housed behind a flashy reception area where you hand your keys over and your car disappears not to be seen again until you pay your bill. We run an open workshop where the customer is shown what's wrong with their car and you can discuss the solutions with the engineer.

Aaron Wilbraham is mobbed by his team mates after opening his account this season.

Oldham game key to 'fantastic' form

MK DONS 2 GILLINGHAM 0

MK Dons assistant Karl Robinson is happy to see the team's home form finally taking shape.

The results at stadiummk have been the Dons' Achilles heel over the past two seasons, but after winning four of their last five matches on their own turf Robinson is hoping their fortunes have turned.

Dons keeper Willy Gueret has not picked the ball out of his net at stadiummk for more than 270 minutes – the last time was Robert Snodgrass' winner for Leeds.

But it is the away defeat to Oldham that Robinson has pointed to as the reason behind the Dons' recent good form.

He said: "When we don't perform we're willing to stand up and say 'that wasn't good enough' and since that performance they've come out they've been absolutely fantastic.

"There were still a few things today we weren't overly happy with but it was just important that we got the three points.

"This was a place that we didn't feel we won enough games. We're doing the right things, keeping the back door closed, another clean sheet and the longer that carries on we feel we've got enough quality this year to win games."

Gillingham were one of the few sides to visit Milton Keynes and go all out for victory. A decision Mark Stimson may have regretted as top goalscorer Simeon Jackson was kept out of the game by the Dons defence.

Josh Gowling's long range effort, and Mark Bentley's just wide header were the closest the Gills came to troubling Gueret.

Dons had to be patient for their first goal which came on the 61st minute from Jermaine Easter, who had played in Wales' World Cup qualifier three days earlier.

The ten-goal forward had to give Jason Puncheon a pat on the back for creating the opening, after the winger drove past several tackles, recollected the ball and cut it back for the simplest of tap ins.

His strike partner Aaron Wilbraham had to wait until the 90th minute to open his account this season.

Wilbraham, who celebrates his 30th birthday today, emphatically struck home from inside the area.

And Robinson was pleased to see both players on the score sheet.

He said: "He's a great forward for Jermaine Easter because he's big, strong and retains the ball – he loves doing all that, but it's great to see him on the score sheet and hopefully that will be him up and running for the season."

SOUTHAMPTON

League One

Saturday, October 24

St Mary's Stadium KO 3pm

SOUTHAMPTON may sit second from bottom with only eight points but that is not fooling anyone in this league.

The Saints were handed a ten point deduction at the start of the season, and after a slow start which saw them collect five points from their opening seven games, they are now finding form having won four of their last six League One matches and scored 15 goals.

Their 21-year-old striker Adam Lallana has netted six times in the league, the same amount as summer signing Rickie Lambert who cost £1million from Bristol Rovers.

Dons boss Paul Ince has to watch from the stands as he completes his two match touchline ban.

Skipper picked

SKIPPER Dean Lewington has been named in the League One Team of the Week.

There had been doubt ahead of the game as to whether Lewington would feature against Gillingham due to an arm injury.

But the left-back played 90 minutes in the 2-0 win.

Team of the Week in full: Scott Flinders (Hartlepool), Lloyd James (Southampton), Paul Robinson (Milwall), Sam Sodje (Charlton), Dean Lewington (MK Dons), Steve Jones (Walsall), Ryan Mason (Yeovil), John Welsh (Tranmere), Andy Monkhouse (Hartlepool), Lee Barnard (Southend), Neil Harris (Milwall).

Back the bid

THERE is still chance for fans backing MK's 2018 World Cup bid to book a place on the 5k Open for the World Run on Saturday, October 31.

The run starts at The National Bowl at 1.15pm and finishes with a lap around stadiummk, just before the game against Bristol Rovers.

As well as getting to run at the stadium, all runners will receive an Open for the World t-shirt, a finisher's medal and a ticket to watch the game.

Leader of Milton Keynes Council, Cllr Sam Crooks, has signed up for the race and will be joined by a number of local councillors from all political parties.

Joining in the run is a way of showing support for Milton Keynes' bid to be a host city for the 2018 football world cup.

Full details of the race, which costs £6 to enter, can be found at www.miltonkeynespartnership.info and entry by following the link on the site. Limited places are available, and must be booked in advance.

Ladies slip

MK Ladies have slipped to fourth in the South East Women's Combination League following their third successive defeat.

They were beaten 3-2 at home to Lewes in a game where all five goals came in the final 20 minutes.

The Dons went ahead on the 47th minute through Heather McDonnell but Lewes' Emma Millington levelled the scores seven minutes from time.

Vicky Gallagher struck back immediately to restore the Dons' one goal lead.

However, Lewes snatched victory in the final three minutes when Helen Whitton and Charlotte Bennett scored.

Lightning on the double

ICE HOCKEY

MK Lightning beat Peterborough Phantoms and Romford Raiders to regain top spot in the English Ice Hockey Premier League.

Lightning bounced back from their first defeat of the season last week to net 10 goals and take four points.

Nick Poole's Lightning were at their defensive best as they earned a 3-1 win over local rivals Peterborough Phantoms.

Last season's treble-winning Phantoms were left frustrated as two goals from Andre Smulter and one from Poole proved enough to earn Lightning victory, despite being out shot by their opponents.

Callum Fowler's goal moments before Smulter's second was little more than a consolation for the Phantoms.

On Sunday Lightning recorded their ninth win of the campaign in emphatic style – the trip to Romford did not have an effect on Lightning's sharpness as they opened the scoring on 7.11 through Adam Carr.

Four minutes later Grant McPherson assisted Michael Wales to double their lead.

Things got better in the second period when Adam Brittle, Monir Kalgoum and Andre Smulter all added to the scoreline.

With five goals already in the bag Lightning eased off in the final 20 minutes and allowed Frankie Harvey to deny them a clean sheet.

But Adam Carr and Ross Bowers ensured Lightning returned home 7-1 victors.

Lightning have returned to the summit, two points clear of second placed Guildford Flames.

BACK-TO-BACK wins saw MK Lions book a spot in the BBL Cup quarter-finals and move into fifth in the championship table.

Lions face a visit to Plymouth Raiders in the next round of the BBL Cup following their nail-biting win over Guildford Heat on Friday night.

The Heat held a 59-61 advantage heading into the final quarter but Lions came out strongly with Yorick Williams and EJ Harrison scoring early points.

The lead changed hands on several occasions throughout the remainder of the period before the home side pulled out a five-point lead at 77-72 heading into the final minute of the game.

A three-pointer from Julius Joseph trimmed the deficit back to 77-75, but the Lions held on for the victory as Dru Spinks secured their place in the quarter-finals from the foul-line.

On Saturday Lions continued their impressive form with a superb 67-89 road victory at Leicester Riders.

Lions broke the match open early and led 27-51 at half time.

The Riders' fightback, a 9-0 run in the final period, only provided the home side a crumb of comfort.

VINCE'S VIEW

Head coach and owner of MK Lions, Vince Macaulay writes for MK NEWS

THE new season feels like it has finally got under way.

After the hiccups with visa's and permits, EJ Harrison has been able to pull on the number five shirt and has contributed immensely to the cohesion of the team.

This weekend saw back to back wins.

Firstly in the BBL Cup we were able to progress at the expense of arch rivals, Guildford Heat.

To show how good they are they followed that up 24 hours later with a win over defending champions Newcastle Eagles.

The cup win means we now travel to Plymouth for the quarter-finals in a very important game, that game will likely be on November, 8.

That win was followed by a whipping of the Leicester Riders for two valuable League points. The Riders, widely touted as challengers this season were systematically destroyed as a combination of EJ and big Frank Holmes secured an early 31-13 first quarter lead from which they could never recover.

Across the MK Lions last weekend we actually had six teams playing in National competition, quite unprecedented, despite the BBL boys winning twice accolades must go to the under 13's who also won twice under new head coach Andy Malpass, well done to one and all.

This weekend it's off to Plymouth in the league, we are working hard to get better each game and face whatever challenges come up. It will be a difficult trip so we want to ensure we maintain our focus.

At half-term we are running a special 3-day camp, so just log on to mklions.com and check out the details, especially if you want to see a dunk exhibition from Guy Dupuy.

OLNEY put an end to their winless run at home with a convincing victory over Reading Abbey.

The visitors could have taken the lead only to allow several penalties to go begging and they paid the price when Olney went in front.

James Padfield put the first points on the board with a try in the corner, and George Stanton added a second with James Hawken's converting both for a 12-0 lead at half-time.

The second half continued in the same manner with Olney making their dominance count on the score board.

Fly-half Hawken and skipper Chris Parnham added tries to complete an impressive Olney performance.

Bletchley 12
Wooton Bassett 8

BLETCHLEY settled for a hard fought four-point win over Wooton Bassett at the weekend.

Bassett, who are yet to win this season, deserved their 5-0 lead following an unconverted try inside 13 minutes. But Bletchley hit back with George Harman converting his own try to give them a two point advantage. It did not last long as Wootton converted a penalty for a Bletchley offside.

In the second half Harman kicked a loose ball through a Wooton player's legs for prop Hannell to chase up and score.

Although Harman missed the penalty Bletchley took a 12-8 lead which they helddespite having two men sent to the sin bin.

Dons No2 happy with home form

Saints pose a threat to Dons streak

RICKIE Lambert could be the key to putting a halt on MK Dons' four match winning streak according to first team coach Alex Rae.

On Saturday the Dons face an experienced Lambert in a resurgent Southampton side.

Having been deducted ten points at the beginning of the season Saints found it hard to adjust to life in League One, but they appear to have found their winning mentality just in time to host the Dons.

Victory for Southampton would pull them ever closer to moving out of the relegation zone, not that their place in the league reflects their form.

"It's a false position due to their points deduction, they're a decent outfit, they have some real good players and we're going to have to be at the top of our game to get maximum points down there.

Lambert, who joined from Bristol Rovers in the summer, has already netted six times for Alan Pardew's side, and the Dons are more than aware of his threat.

Rae added: "He's crucial, most of their stuff goes through him. We have to make sure we cope with him. He's aerially very strong."

The Dons' moved up to third place following their win over Gillingham, and Rae believes if they continue to keep the back door shut they will remain in the promotion chase.

"It's always better to see yourselves at the top part of the table as long as we continue to do what we're doing I think we'll be in the shake up."

Meanwhile, Luke Chadwick stepped up his fitness work yesterday and is expected to return to training next week.

Mark Webber celebrates his Brazilian win after leading in lap one, above

Win some, lose some

RED Bull Racing won the Brazilian Grand Prix yet lost the World Championship and Constructors Championship at the same race.

Mark Webber crossed the chequered flag in first place only to have his moment of glory snatched away by world title-claiming Jenson Button.

As the Aussie celebrated only his second podium of his career his team mate Sebastian Vettel was consoled for seeing his championship dreams shatter.

Vettel had faint hopes of taking the title chase to the final race at Abu Dhabi next week, especially when he moved from 15th to fourth.

However, Button, who won six of the first seven races, put in one of his best drives to battle from 14th to fifth which was enough to see him, and Brawn GP, take the championship.

Still, Webber's triumph only emphasised the incredible season Tilbrook-based Red Bull Racing have enjoyed.

The team have achieve four victories, at least one driver had been in the top three on nine occasions, and they came second in the Constructor's Championship.

A proud team principal Christian Horner said: " Congratulations to Jenson on becoming World Champion, he's been a great competitor this year and also to the Brawn team on winning the Constructors' Championship. We can reflect on an outstanding season and we'll go to Abu Dhabi determined to finish with the momentum that we've had at the last few races."

The race in Brazil was always going to be overshadowed by the title chase, but no-one could dismiss the terrific drive from start to finish by Webber.

Although winner's presentation was low-key it did not take away from Webber's happiness.

He said: "It's fantastic feeling to win again. As a team we've had quite a few victories this year off the back of some tough seasons, but today has confirmed second place for us in the Constructors' Championship.

"We're very proud of what we have achieved this year as a team I want to thank Renault as well, the engines have been very good and they're not easy environments for them to work in.and also to Brawn on clinching the Championships today after a good fight."

Whereas, a clearly heartbroken Vettel could barely raise a smile, he added: "I knew that Jenson was just behind me and would score points for the Championship but you don't really think about it until the last couple of laps. Congratulations to Jenson and Brawn, I think they did the best job this year."

Red Bull can end their season on a high at next Sunday's Abu Dhabi Grand Prix
